### GIFT AID

Extract from HM Revenue and Customs web site:

#### Gift aid – an overview

**Gift aid is tax relief on money donated to UK charities. We treat donations as if the donor had already deducted basic rate tax from them. The charity can then reclaim this tax to increase the value of a donation.**

Simply put, this means that if you are a taxpayer, as a registered charity, we can reclaim the tax that you've already paid to provide your son or daughter with their subs every week.

This means that the £2.50 is now actually worth £3.20 (£2.50 + 70p) to us and at no expense to you or the Unit simply by taking 5 minutes to complete and return the bottom of this form.

This really is a 'something for nothing' situation which shouldn't be ignored. After all, how many times do you get the chance to get money back from Government? You only need to complete the form once with no need to supply us with any further information so please make a real effort to return this form to your child's Section Leader.

Many thanks
